Hello Michael, see the attached which you can use in your newsletter. I have also attached a few images for you. Unfortunately we don't yet have building exterior photos, but these include interiors and a couple shots of the Grand Opening event. Please let me know that you received these. Thanks!

All the best,

Hi Michael, are you thinking of using that article in your newsletter? I have some concerns about you doing that because there are copyrights on news articles and you could potentially get in trouble. I think it's better if I create one for you of the same length and you use that instead. Sound good?

Hello Michael, how long does the article need to be in length? I can probably work from our press release and turn it into a shorter article. Let me know, thanks!

Subject: Next On Sixth Grand Opening

Hi Dustin,

I'm looking for an article for our WCBID newsletter that needs to go out this week.

Do you have a write up on the Next on Sixth Grand Opening event that I could use?

Hope all else is well.

Thank you,
